Using Charisma-Linked <b>Skills</b>	130
Using Conjuring <b>Skills</b>	133

### Page 5, Credits, Art, Color Illustration

Remove the period at the end of this list.

### Page 5, Props, paragraph 1, sentence 2

Missing comma. Replace:

First and foremost thanks to the original creators for brainstorming a game that's withstood the test of time and lived to thrive.

With:

First and **foremost**, thanks to the original creators for brainstorming a game that's withstood the test of time and lived to thrive.

### Page 5, Props, paragraph 2, sentence 1

Missing comma. Replace:

Thanks to Adam Jury without whose efforts you would not be holding this book (and it wouldn't look half as cool).

With:

Thanks to Adam **Jury**, without whose efforts you would not be holding this book (and it wouldn't look half as cool).

**Page 5, Props, paragraph 2, sentence 2**

Missing conjunction. Replace:

Thanks also to Jennifer Harding, Randall Bills, Mike Vaillancourt for having my back and contributing above and beyond to making this Anniversary edition possible.

With:

Thanks also to Jennifer Harding, Randall Bills, **and** Mike Vaillancourt for having my back and contributing above and beyond to making this Anniversary edition possible.

**Page 5, Props, paragraph 3, sentence 2**

Missing comma. Replace:

Thank you, Rob for passing one amazing torch, and most importantly for giving us *Shadowrun, Fourth Edition* to play with.

With:

Thank you, **Rob**, for passing one amazing torch, and most importantly for giving us *Shadowrun, Fourth Edition* to play with.

**Page 5, Props, paragraph 4**

Missing comma. Replace:

Thanks to Paola and Corinna without whose patience and support this would not have been possible.

With:

Thanks to Paola and **Corinna**, without whose patience and support this would not have been possible.

**Page 5, Props, paragraph 5**

Missing conjunction. Replace:

Thanks also to our tireless freelancers past and present, and to the Con Team, **to** the Catalyst demo team, the SR Missions crew for contributing to Shadowrun's continuing popularity by running SR games.

With:

Thanks also to our tireless freelancers past and present, and to the Con Team, the Catalyst demo team, **and** the SR Missions crew for contributing to Shadowrun's continuing popularity by running SR games.

**Page 5, Props, paragraph 6, sentence 1**

Missing comma. Replace:

And last but not least a huge thank you to the playtesters and proofreaders who've contributed their time and thoughtful feedback.

With:

And last but not **least**, a huge thank you to the playtesters and proofreaders who've contributed their time and thoughtful feedback.

## WHAT IS INSIDE YOUR HEART

### Page 6, What Is Inside Your Heart, paragraph 5

Replace:

There were three exits: main entrance, kitchen, and the woman's bathroom, which offered a small window that led to a ledge fifteen stories above Seattle's rain-slicked streets.

With:

There were three exits: main entrance, kitchen, and the **women's** bathroom, which offered a small window that led to a ledge fifteen stories above Seattle's rain-slicked streets.

### Page 6, What Is Inside Your Heart, paragraph 11

Unnecessary hyphen (adverb). Replace:

He studied his reflection in the dark window: tall, handsome, pale blue eyes that looked gray in the half-light, long ash-blond hair combed straight back except for his bangs, which hung past his chin, jaw line clothed in a neatly-trimmed beard that matched his slim moustache.

With:

He studied his reflection in the dark window: tall, handsome, pale blue eyes that looked **grey** in the half-light, long ash-blond hair combed straight back except for his bangs, which hung past his chin, jaw line clothed in a **neatly trimmed** beard that matched his slim moustache.

### Page 6, What Is Inside Your Heart, paragraph 19, sentence 4

Misplaced period. Replace:

If he bailed on the meeting, it would be a deadly insult to both the corp (which he could live with) and the fixer (which he couldn't.)

With:

If he bailed on the meeting, it would be a deadly insult to both the corp (which he could live with) and the fixer (which he **couldn't**).

### Page 7, What Is Inside Your Heart (cont'd), paragraph 43, sentence 1

Replace:

They stood on the gently rocking boat of a little fishing skiff.

With:

They stood on the gently rocking **deck** of a little fishing skiff.

### Page 9, What Is Inside Your Heart (cont'd), paragraph 124, sentence 4

Unnecessary hyphen. Replace:

In a moment it lay on the deck, firing into the cement, its bladeless-rotor spinning madly.

With:

In a moment it lay on the deck, firing into the cement, its **bladeless rotor** spinning madly.

### Page 9, What Is Inside Your Heart (cont'd), paragraph 135, sentence 1

Missing preposition. Replace:

Bob threw the door open and bounded out the cab.

With:

Bob threw the door open and bounded out **of** the cab.

**Page 11, What Is Inside Your Heart (cont'd), paragraph 201, sentence 1**

Replace:

Devil stood in the middle of their little hotel room, surrounded by holoprojected images and documents, windows into the shadier corners of the matrix.

With:

Devil stood in the middle of their little hotel room, surrounded by holoprojected images and documents, windows into the shadier corners of the **Matrix**.

**Page 13, What Is Inside Your Heart (cont'd), paragraph 253, sentence 2**

Missing apostrophe. Replace:

Felt it bend around the bond between magician and spirit, like a magnets field bending around a piece of iron.

With:

Felt it bend around the bond between magician and spirit, like a **magnet's** field bending around a piece of iron.

**Page 13, What Is Inside Your Heart (cont'd), paragraph 276**

Missing comma. Replace:

"The sea god," said Atherton recalling the legend. "The ruler of seas and oceans."

With:

"The sea god," said **Atherton**, recalling the legend. "The ruler of seas and oceans."

**Page 13, What Is Inside Your Heart (cont'd), paragraph 286**

Missing comma. Replace:

"Father don't," Pearl pleaded. "Don't alter his memory."

With:

"**Father**, don't," Pearl pleaded. "Don't alter his memory."

## WELCOME TO THE SHADOWS

**Page 16 (sidebar), Core Supplements, paragraph 1**

Bad space. Replace:

All that's required to play *Shadowrun, Fourth Edition*, is the core rulebook. However, **Catalyst Game Labs** offers a number of advanced rule books and setting supplements that expand the options available to characters and further detail the setting.

With:

All that's required to play *Shadowrun, Fourth Edition*, is the core rulebook. However, **Catalyst Game Labs** offers a number of advanced **rulebooks** and setting supplements that expand the options available to characters and further detail the setting.

**Page 17, Basic Runner Types, paragraph 2 (Faces), sentence 1**

Missing hyphens. Replace:

**Faces** are charismatic individuals—they may be good looking, smooth talking, quick-witted, or just have a great force of personality.

With:

**Faces** are charismatic individuals—they may be **good-looking**, **smooth-talking**, quick-witted, or just have a great force of personality.

## HAPPY TRAILS

### Page 20, Happy Trails, Year

Replace 2065 with **2064**.

### Page 23, Happy Trails (cont'd), paragraph 48, sentence 1

Replace:

Jormungand came towards him.

With:

Jormungand came **toward** him.

### Page 23, Happy Trails (cont'd), paragraph 51, last sentence

Replace:

He was the best damn decker that ever lived.

With:

He was the best damn decker **who** ever lived.

## A HISTORY LESSON FOR THE REALITY IMPAIRED

### Page 24, Seretech & Shiawase, paragraph 1, sentence 1

Replace:

Imagine this: it's the late 1990s, and corporate entities are growing more powerful with each passing year.

With:

Imagine this: **It's** the late 1990s, and corporate entities are growing more powerful with each passing year.

### Page 26 (sidebar), Other Natural Disasters and Ecotastrophes

Missing commas. Replace

**2011** Black Tide swamps most of Holland, Norway, Britain and parts of Germany :: *North Sea*

**2017** Quake hits Tai-Hei mountains destroying Chinese nuclear stockpile :: *China*

...

**2061** Ring of Fire erupts devastating PacRim :: *Asia and North America*

With:

**2011** Black Tide swamps most of Holland, Norway, **Britain**, and parts of Germany :: *North Sea*

With:

**2063** Ganges manaline **flares**, leading to new SURGE incidents. :: *Indian Union*

**Page 32 (sidebar), Other Mystical Events, 2069**

Spelling. Replace:

**2069** The Deep **Laguna** manifests under LA. :: *Pueblo Corporate Council*

With:

**2069** The Deep **Lacuna** manifests under LA. :: *Pueblo Corporate Council*

**Page 32, Mega Shuffle, paragraph 2, last sentence**

Replace:

Newcomer AAA Wuxing received several bequests of artifacts—including a statue and a coin—that pointed to quite an investment of magical power which has steadily manifested and grown from then on.

With:

Newcomer AAA Wuxing received several bequests of artifacts—including a statue and a coin—that pointed to quite an investment of magical **power, which** has steadily manifested and grown **since then**.

**Page 33, Ghostwalker, paragraph 1, sentence 2**

Verb tense. Replace:

We think that's also when powerful shedim ("the dead," various ancestor spirits called them) **had begun** breaking through the Rift to plague us.

With:

We think that's also when powerful shedim ("the dead," various ancestor spirits called them) **began** breaking through the Rift to plague us.

**Page 33, Ghostwalker, paragraph 3, sentence 1**

Bad comma. Replace:

It was a tense couple of days, with people thinking that the Treaty of Denver might be nullified, and we'd have war between the NAN, the UCAS, and the CAS.

With:

It was a tense couple of days, with people thinking that the Treaty of Denver might be **nullified** and we'd have war between the NAN, the UCAS, and the CAS.

**Page 34, Deus' Agenda, paragraph 1, sentence 4**

Replace:

It wasn't revealed until later, after General Colloton and UCAS troops were called in to take over and begin liberating the arcology, that the AI Deus had taken control and was busily experimenting upon **its** captive audience for **its** own purposes.

With:

It wasn't revealed until later, after General Colloton and UCAS troops were called in to take over and begin liberating the arcology, that the AI Deus had taken control and was busily experimenting upon **his** captive audience for **his** own purposes.

**Page 34, Perfect Storm, paragraph 5, sentence 3**

Replace:

The worm's viral tidal wave struck the Boston ECSE shortly after the launch of the IPO—and right after Deus **had** erupted into the middle of the virtual trading floor and began his aggressive upgrading.

With:

The worm's viral tidal wave struck the Boston ECSE shortly after the launch of the IPO—and right after Deus erupted into the middle of the virtual trading floor and began his aggressive upgrading.

**Page 34, Perfect Storm, paragraph 5, sentence 4**

Replace:

Add **in** a few key EMP strikes on major Matrix nodes to this massive upheaval, and you can see why the whole thing melted down spectacularly and brought everyone and everything along with it.

With:

Add a few key EMP strikes on major Matrix nodes to this massive upheaval, and you can see why the whole thing melted down spectacularly and brought everyone and everything along with it.

**Page 34, NeoNET and the WMI, sentence 2**

Replace:

Here's where two companies, Transys Neuronet and Erika, come on the scene: they'd been developing wireless technology for the Wireless Matrix Initiative since 2058, and had been planning on getting it online in the fall of 2064 anyway.

With:

Here's where two companies, Transys Neuronet and Erika, come on the scene: **They'd** been developing wireless technology for the Wireless Matrix Initiative since 2058, and had been planning on getting it online in the fall of 2064 anyway.

**Page 34, Winners and Losers, paragraph 1, sentence 1**

Replace:

The years following the Crash saw some significant changes on the Corporate Court landscape, as the megas jockeyed for position and took advantage of each other's weaknesses.

With:

The years following the Crash saw some significant changes on the Corporate Court landscape, as the megas jockeyed for position and took advantage of **one another's** weaknesses.

## WEEKEND EDITION

**Page 38, Weekend Edition (cont'd), paragraph 16, sentence 1**

Replace:

"He wouldn't get half **of** what the repairs cost at auction.

With:

"He wouldn't get half what the repairs cost at auction.

**Page 38, Weekend Edition (cont'd), paragraph 16, sentence 4**

Replace:

With a quick thought, he released the 8,000¥ to Lou's Garage.

With:

With a quick thought, he released the **8,000 nuyen** to Lou's Garage.

**Page 39, Weekend Edition (cont'd), paragraph 38, sentence 7**

Missing hyphen. Replace:

Too perfect make-up and hyper-real tattoos wrapped around bodies perfected with a surgeon's scalpel.

With:

**Too-perfect** make-up and hyper-real tattoos wrapped around bodies perfected with a surgeon's scalpel.

**Page 39, Weekend Edition (cont'd), paragraph 40, sentence 1**

Replace:

As Taylor passed, he whispered, "Remember to tip the doorman."

With:

As Taylor passed, **the juggler** whispered, "Remember to tip the doorman."

**Page 39, Weekend Edition (cont'd), paragraph 43, sentence 7**

Replace:

He gave his name again and transferred 100 ¥ to the tillbox floating in AR next to the door.

With:

He gave his name again and transferred 100 nuyen to the tillbox floating in AR next to the door.

## LIFE ON THE EDGE

**Page 40 (sidebar), Major Chains and Franchises, Hotels, Family Style**

Delete the comma at the end, after "Rubikan Int'l"

**Page 41, The Doctor Is In, paragraph 2, sentence 1**

Replace:

If you're rich (or have the right friends), you have access to all sorts of medical advances, including clone "spares" for organ replacement, leonization treatments to stay young, state-of-the-art implants, the latest gene therapy, and every other cutting-edge technology medicine has to offer.

With:

If you're rich (or have the right friends), you have access to all sorts of medical advances, including clone "spares" for organ replacement, leónization treatments to stay young, state-of-the-art implants, the latest gene therapy, and every other cutting-edge technology medicine has to offer.

**Page 43, Big Brother Is Watching (cont'd), paragraph 2, last sentence**

Missing comma (compound sentence). Replace:

Life in the shadows isn't easy but fortunately the all-knowing Big Brother isn't without his failings.

With:

Life in the shadows isn't easy, but fortunately the all-knowing Big Brother isn't without his failings.

**Page 45, Extraterritoriality, last sentence**

Replace:

Only the Corporate Court can confer extraterritorial status; all the megas have it, naturally, and it's a coveted prize among the second-tier AA mega-wannabes.

With:

Only the Corporate Court can confer extraterritorial status; all the megas have it, naturally, and it's a coveted prize among the third-tier mega-wannabes.

**Page 49, Wuxing Incorporated (cont'd), paragraph 1, last sentence**

Missing comma. Replace:

Wuxing swallowed up sizable pieces of the Pacific Prosperity Group (including the plum-prize Malaysian Independent Bank) which increased its clout significantly.

With:

Wuxing swallowed up sizable pieces of the Pacific Prosperity Group (including the plum-prize Malaysian Independent Bank), which increased its clout significantly.

**Page 49, Strange Bedfellows, paragraph 1, sentence 1**

Replace:

Keeping track of the megacorps and their shifting relationships with each other usually requires a scorecard—especially since they can and do change with the winds.

With:

Keeping track of the megacorps and their shifting relationships with **one another** usually requires a scorecard—especially since they can and do change with the winds.

**Page 49, Livin' Large, paragraph 1, sentence 1**

Replace:

Entertainment is big business in the Seventies, running the gamut from the sanitized and corp-approved to the downright deviant.

With:

Entertainment is big business in the **seventies**, running the gamut from the sanitized and corp-approved to the downright deviant.

**Page 49, Nightlife, paragraph 3, sentence 1**

Missing comma. Replace:

Besides the standard clubs you can usually find a large number of “niche-market” nightspots in most major sprawls.

With:

Besides the standard **clubs**, you can usually find a large number of “niche-market” nightspots in most major sprawls.

**Page 49, Nightlife, paragraph 3, sentence 3**

Replace:

Newcomers who show a genuine interest in (and understand **of** the social conventions of) a particular theme are welcomed; others might be looked on with suspicion until their motives are determined.

With:

Newcomers who show a genuine interest in (and understand the social conventions of) a particular theme are welcomed; others might be looked on with suspicion until their motives are determined.

**Page 50 (sidebar), 2072 Sim Bestsellers, item 6**

Capitalization. Replace:

6. The Great Work: Broaden your horizons (*Horizon Media*)

With:

6. The Great Work: Broaden **Your Horizons** (*Horizon Media*)

**Page 50, Simsense, paragraph 2, sentence 2**

Unnecessary hyphen (adverb). Replace:

How it works is easy—you experience it through a *sim module* (either implanted or part of your commlink), a standalone simsense player called a *simdeck*, or even electrically-sensitive nanopaste that you can apply directly to your body.

With:

How it works is easy—you experience it through a *sim module* (either implanted or part of your commlink), a standalone simsense player called a *simdeck*, or even **electrically sensitive** nanopaste that you can apply directly to your body.

### **Page 51 (sidebar), Hot Brands in 2072, Street and Urbanwear**

Capitalization. Replace:

6-Tees (Retro-American Casual), CD/Common Denominator (Practical Urban style), DressCode (Glo-Punk Clubwear), Furba (Pop Urban), ME MetaL (Meta-friendly Urban), NuZoot (Contemp. Asian Urban), Tribale (Ethnic Street), Victory (Practical Casual/Urban)

With:

6-Tees (Retro-American Casual), CD/Common Denominator (Practical Urban **Style**), DressCode (Glo-Punk Clubwear), Furba (Pop Urban), ME MetaL (Meta-**Friendly** Urban), NuZoot (**Contemporary** Asian Urban), Tribale (Ethnic Street), Victory (Practical Casual/Urban)

### **Page 51 (sidebar), Hot Brands in 2072, Ready-to-Wear and Casual**

Capitalization. Replace:

Beaux Retail (Middle Class Casual), Lyric of Portland (NeoCeltic Casual), Très Chic (Urban Casual), Tropicaliente (South Am Casual), Vashon Island (High-end Casual)

With:

Beaux Retail (Middle Class Casual), Lyric of Portland (NeoCeltic Casual), Très Chic (Urban Casual), Tropicaliente (South Am Casual), Vashon Island (High-**End** Casual)

### **Page 51 (sidebar), Hot Brands in 2072, Personal Electronics**

Capitalization. Replace:

Aquarius (Monobe), CD/Common Denominator (Horizon), Chungo-Ko (Eastern Tiger), Continuum (MCT), Deva (Mangadyne), Flair (Erika/NeoNET), Ikon (Hermes/ S-K), Life by Evo (Metaergonomics/Evo), Moda (Aztechnology), Made In Aztlan (Aztechnology), Non-Linear Solutions (Transys/NeoNET), XXI (CatCo/Ares)

With:

Aquarius (Monobe), CD/Common Denominator (Horizon), Chungo-Ko (Eastern Tiger), Continuum (MCT), Deva (Mangadyne), Flair (Erika/NeoNET), Ikon (Hermes/ S-K), Life by Evo (Metaergonomics/Evo), Moda (Aztechnology), Made **in** Aztlan (Aztechnology), Non-Linear Solutions (Transys/NeoNET), XXI (**CATCo**/Ares)

### **Page 52, Fashion (cont'd), bullet 2 (Hairstyles)**

Unnecessary hyphen (adverb). Replace:

You name it, somebody's done it. Hair in non-natural colors is so common that people don't even look twice at it anymore, while alternative fiber implants, electrically-sensitive filaments that can change color with a thought, and head shaving (all the better to display your tattoos, implants, and scars) are all popular.

With:

You name it, somebody's done it. Hair in non-natural colors is so common that people don't even look twice at it anymore, while alternative fiber implants, **electrically sensitive** filaments that can change color with a thought, and head shaving (all the better to display your tattoos, implants, and scars) are all popular.

### **Page 52, Fashion (cont'd), bullet 3 (Advertising), sentence 2**

Missing serial comma. Replace:

It's not at all uncommon to see ads tattooed (often in full animation) on people's foreheads, chests or backs, and in the days of the ubiquitous RFID tag, most mod providers will knock a bit off the price if you'll let them implant a tag advertising their wares along with your new look.

With:

It's not at all uncommon to see ads tattooed (often in full animation) on people's foreheads, **chests**, or backs, and in the days of the ubiquitous RFID tag, most mod providers will knock a bit off the price if you'll let them implant a tag advertising their wares along with your new look.

### **Page 52, Fashion (cont'd), paragraph 3**

Missing serial comma. Replace:

Of course, for the large percentage of the population who don't care whether they're "fashion-forward" and just want to be comfortable, the old standbys—jeans, athletic shoes, leather and synthleather jackets, sports-themed gear and so forth—are still as popular as ever.

With:

Of course, for the large percentage of the population who don't care whether they're "fashion-forward" and just want to be comfortable, the old standbys—jeans, athletic shoes, leather and synthleather jackets, sports-themed **gear**, and so forth—are still as popular as ever.

### **Page 53 (sidebar), Common Street Slang in 2072**

Add periods to the ends of the definitions for **halfer**, **rip**, **scan**, and **smoothie**.

### **Page 54, Gangs, paragraph 2, sentence 1**

Semicolon vs. colon. Replace:

Gangs come in many varieties: the most common are garden-variety sprawl gangs that control territory and run criminal enterprises like protection, smuggling, or extortion, but most sprawls are also home to mobile "go-gangs" that prowl the highways looking for fun, profit, and victims.

With:

Gangs come in many **varieties**; the most common are garden-variety sprawl gangs that control territory and run criminal enterprises like protection, smuggling, or extortion, but most sprawls are also home to mobile "go-gangs" that prowl the highways looking for fun, profit, and victims.

### **Page 54, He Ain't Heavy, paragraph 1, last sentence**

Replace:

Here's a look at race relations in the Seventies.

With:

Here's a look at race relations in the **seventies**.

### **Page 54, The Way It Is, paragraph 1, sentence 2**

Math. Replace:

After all, it's been close to fifty years since UGE occurred and people started changing into orks and trolls, and almost sixty since elves and dwarfs arrived on the scene.

With:

After all, it's been **more than** fifty years since **Goblinization** occurred and people started changing into orks and trolls, and **more than** sixty since elves and dwarfs arrived on the scene.

### **Page 54, The Way It Is, paragraph 1, sentence 3**

Semicolon vs. colon. Replace:

The average citizen sees other metatypes every day: we work with them, run into them at the Stuffer Shack, and party with them at bars and clubs.

With:

The average citizen sees other metatypes every **day**; we work with them, run into them at the Stuffer Shack, and party with them at bars and clubs.

### **Page 54, The Way It Is, paragraph 3**

Break into two sentences. Replace:

Often it's the truly unusual who are singled out for discrimination: for example, even **nearly** ten years after the return of Halley's Comet brought SURGE and a new wave of changes, the so-called "changelings" still have a hard time finding acceptance within mainstream society, while the less common regional metavariants (such as menehunes, fomori, and night ones) encounter more prejudice than their more generic "vanilla" varieties.

With:

Often it's the truly unusual who are singled out for **discrimination**. **For** example, even ten years after the return of Halley's Comet brought SURGE and a new wave of changes, the so-called "changelings" still have a hard time finding acceptance within mainstream society, while the less common regional metavariants (such as menehunes, fomori, and night ones) encounter more prejudice than their more generic "vanilla" varieties.

### **Page 54, Pro-Meta Activist Groups, sentence 3**

Missing serial comma. Replace:

Others, like the Ork Rights Committee (ORC), the Ghoul Liberation League and the dwarven Stonecutters' Guild, focus their efforts more tightly and seek to advance the cause of their own particular people.

With:

Others, like the Ork Rights Committee (ORC), the Ghoul Liberation **League**, and the dwarven Stonecutters' Guild, focus their efforts more tightly and seek to advance the cause of their own particular people.

### **Page 55, Racist Organizations, paragraph 2, sentence 1**

Replace:

Groups like the sheet-clad Humanis Policlub and the pro-troll and -ork, anti-everybody-else Sons of Sauron range in aim from glorified political action committees to terrorist organizations bent on nothing short of the destruction (or at least the subjugation) of anybody who doesn't share their metatype.

With:

Groups like the sheet-clad Humanis Policlub and the **pro-troll, pro-ork**, anti-everybody-else Sons of Sauron range in aim from glorified political action committees to terrorist organizations bent on nothing short of the destruction (or at least the subjugation) of anybody who doesn't share their metatype.

**Page 55 (sidebar), KSAF's Man-on-the-Street Soundbytes™, header**

Replace:

CURRENT AFFAIRS – 2071-72

With:

CURRENT **AFFAIRS**, 2071-72

**Page 55 (sidebar), KSAF's Man-on-the-Street Soundbytes™, paragraph 2**

Missing commas, spaces around ellipses. Replace:

"I don't talk much about it ... it was bad. I worked for MCT in Tsimshian back then and the RTG hub I worked on was targeted by Winternight. When the Crash hit we rushed to the hub and... a lot of people died. I saw friends burst into flames. I was in shock for days and missed a lot of it. I never could go back... sorry man I can't talk about it... sorry."—  
*Bluefeather [hardware tech]*

With:

"I don't talk much about it ... it was bad. I worked for MCT in Tsimshian back **then**, and the RTG hub I worked on was targeted by Winternight. When the Crash **hit**, we rushed to the hub **and ...** a lot of people died. I saw friends burst into flames. I was in shock for days and missed a lot of it. I never could go **back ...** sorry **man**, I can't talk about **it ...** sorry."—  
*Bluefeather [hardware tech]*

**Page 55 (sidebar), KSAF's Man-on-the-Street Soundbytes™, paragraph 3**

Comma splices. Replace:

"I'd just given birth to Tommy here, we were in the maternity ward when the lights went. Then the computers went crazy. It was a nightmare. The nurses were in a panic, they couldn't get through to anyone. People were dying in other wards. I got Tommy and we huddled up in my room for a couple of days. Nobody came to see us. It was insane."—  
*Michelle [mother]*

With:

"I'd just given birth to Tommy here, we were in the maternity ward when the lights went. Then the computers went crazy. It was a nightmare. The nurses were in a **panic;** they couldn't get through to anyone. People were dying in other wards. I got Tommy and we huddled up in my room for a couple of days. Nobody came to see us. It was insane."—  
*Michelle [mother]*

**Page 55 (sidebar), KSAF's Man-on-the-Street Soundbytes™, paragraph 5, sentence 3**

Missing apostrophe. Replace:

I don't think **its** fair to go around saying that elves and magicians are fine but these other people with odd abilities are not.

With:

I don't think **it's** fair to go around saying that elves and magicians are fine but these other people with odd abilities are not.

**Page 55 (sidebar), KSAF's Man-on-the-Street Soundbytes™, paragraph 7, sentences 3-4**

Missing comma, comma splice. Replace:

Everyone deserves basic human rights and without civil rights you have no voice. Things are bad enough as it is, people need a voice."

With:

Everyone deserves basic human **rights**, and without civil rights you have no voice. Things are bad enough as it **is**; people need a voice."

**Page 55 (sidebar), KSAF's Man-on-the-Street Soundbytes™, subhead 5**

Replace:

How do you feel about the trend towards personal augmentation?

With:

How do you feel about the trend **toward** personal augmentation?

**Page 55 (sidebar), KSAF's Man-on-the-Street Soundbytes™, paragraph 14, sentence 2**

Missing comma (compound sentence). Replace:

It's a dog-eat-dog world out there and people need every edge they can get."

With:

It's a dog-eat-dog world out **there**, and people need every edge they can get."

**Page 55 (sidebar), KSAF's Man-on-the-Street Soundbytes™, paragraph 17**

Missing quotation mark. Replace:

"Well, it's dangerous isn't it? Too much of this stuff out there these days, and cheap too! Nobody's stopping kids from plugging their bodies 'cause they think it's cool. Hah! Then we complain society is losing its humanity, its values.—*Jack [pensioner]*

With:

"Well, it's dangerous isn't it? Too much of this stuff out there these days, and cheap too! Nobody's stopping kids from plugging their bodies 'cause they think it's cool. Hah! Then we complain society is losing its humanity, its values."**"**—*Jack [pensioner]*

## GAIA'S HEART

**Page 56, Gaia's Heart, paragraph 9, sentence 1**

Bad capital. Replace:

"If this gem had never existed," Koromatsu said, "The history of the world would be quite different.

With:

"If this gem had never existed," Koromatsu said, "**the** history of the world would be quite different.

**Page 57, Gaia's Heart (cont'd), paragraph 46, sentence 4**

Missing word. Replace:

And the dwarf and the human couple—a rigger and a hacker, ready to get the mage couple out there as soon as possible.

With:

And the dwarf and the human couple—a rigger and a hacker, ready to get the mage couple out **of** there as soon as possible.

**Page 58, Gaia's Heart (cont'd), paragraph 54**

Replace:

Maybe she had already missed it. Maybe they had already made her move.

With:

Maybe she had already missed it. Maybe they had already made **their** move.

**Page 59, Gaia's Heart (cont'd), paragraph 70, sentence 2**

Spelling. Replace:

Sadly, the young street samurai who had been given an unceremonious burial in the **Redmonds** Barrens wouldn't be part of the team that would liberate the emerald.

With:

Sadly, the young street samurai who had been given an unceremonious burial in the **Redmond** Barrens wouldn't be part of the team that would liberate the emerald.

## GAME CONCEPTS

**Page 63, Opposed Tests, paragraph 1, sentence 1**

Replace:

An Opposed Test occurs when two characters are in direct conflict with one another.

With:

An Opposed Test occurs when two characters are in direct conflict with **each other**.

**Page 73 (sidebar), Playing in Three Worlds, paragraph 1**

Replace:

One of the bigger challenges for gamemasters, both experienced and new, to bringing an action packed shadowrun to life is the fact that the game can take place in three distinct—though connected—realms: the physical world the characters inhabit, the astral plane and the Matrix.

With:

One of the bigger challenges for gamemasters, both experienced and new, to bringing an **action-packed** shadowrun to life is the fact that the game can take place in three distinct—though connected—realms: the physical world the characters inhabit, the astral **plane**, and the Matrix.

**Page 73 (sidebar), Playing in Three Worlds, paragraph 2, sentence 2**

Bad period. Replace:

Introducing the complexities of the astral world and/or the Matrix gradually, over the course of the first few **sessions**, rather than presenting them up front will generally assuage some of the inherent difficulties and keep the game from getting bogged down and becoming non-fun.

With:

Introducing the complexities of the astral world and/or the Matrix gradually, over the course of the first few **sessions**, rather than presenting them up front will generally assuage some of the inherent difficulties and keep the game from getting bogged down and becoming non-fun.

**Page 73 (sidebar), The Sixth World: An Evolving (Hi)Story, paragraph 1, sentence 2**

Missing comma. Replace:

Unfolding across dozens of sourcebooks, setting books, adventures, and novels the Sixth World is one of the richest and most detailed settings ever conceived for a roleplaying game.

With:

Unfolding across dozens of sourcebooks, setting books, adventures, and **novels**, the Sixth World is one of the richest and most detailed settings ever conceived for a roleplaying game.

**Page 73 (sidebar), The Sixth World: An Evolving (Hi)Story, paragraph 3, sentence 1**

Capitalization. Replace:

*Shadowrun, Fourth Edition* moves the Sixth World setting into the Seventies, five years after the events described in the final book of the previous edition.

With:

*Shadowrun, Fourth Edition* moves the Sixth World setting into the **2070s**, five years after the events described in the final book of the previous edition.

**Page 73 (sidebar), The Sixth World: An Evolving (Hi)Story, paragraph 3, sentence 2**

Capitalization. Replace:

The Sixth World has evolved with the times presenting fresh opportunities for adventure and mayhem, equally accessible to long time fans and newcomers.

With:

The Sixth World has evolved with the **times**, presenting fresh opportunities for adventure and mayhem, equally accessible to **long-time** fans and newcomers.

**Page 73 (sidebar), Metahumanity and Beyond, paragraph 1, sentence 1**

Missing serial comma. Replace:

Life and sentience in the Sixth World take a bewildering variety of forms, from “plain” metahumanity to the decidedly inhuman intellects of dragons, free spirits and artificial intelligences.

With:

Life and sentience in the Sixth World take a bewildering variety of forms, from “plain” metahumanity to the decidedly inhuman intellects of dragons, free **spirits**, and artificial intelligences.

**Page 73 (sidebar), Metahumanity and Beyond, paragraph 2, sentence 1**

Replace:

The five metatypes (ie. dwarf, elf, human, ork, and troll) presented in *Shadowrun, Fourth Edition* represent the overwhelming majority of Earth’s sentient population in 2072—approximately 98 percent.

With:

The five metatypes (**i.e.**, dwarf, elf, human, ork, and troll) presented in *Shadowrun, Fourth Edition* represent the overwhelming majority of Earth’s sentient population in 2072—approximately 98 percent.

**Page 73 (sidebar), Metahumanity and Beyond, paragraph 4, sentence 3**

Book title. Replace:

While rules for playing such exotic character types (and metavariants) are introduced in the advanced core book *Runners' Companion*, such characters are notably exotic, rare, and otherwise remarkable compared to normal metahumans (few of which are good survival traits in the dangerous world of the shadows).

With:

While rules for playing such exotic character types (and metavariants) are introduced in the advanced core book *Runner's Companion*, such characters are notably exotic, rare, and otherwise remarkable compared to normal metahumans (few of which are good survival traits in the dangerous world of the shadows).

## FRESH MEAT

### Page 76, Fresh Meat, paragraph 3 (Humes dossier)

Capitalization. Replace:

Roger Merino. Street Alias: Humes. Age: 21. Status: Pueblo citizen. Resident: Pomona refugee camp 37. Previous employment: Bouncer, bartender, auto mechanic. Education: trade school dropout. Primary skill set: Pilot, ground craft. Mechanic, ground craft. Small firearms. Hand-to-hand combat (no discipline). Secondary skill set: Pilot, watercraft. Mechanic, watercraft. Positive qualities: mechanically inclined, athletic and fit, overall perceptive, strong survival skill. Negative qualities: gang affiliation (37th Street Hombres).

With:

Roger Merino. Street **alias**: Humes. Age: 21. Status: Pueblo citizen. Resident: Pomona refugee camp 37. Previous employment: Bouncer, bartender, auto mechanic. Education: **Trade** school dropout. Primary skill set: Pilot, ground craft. Mechanic, ground craft. Small firearms. Hand-to-hand combat (no discipline). Secondary skill set: Pilot, watercraft. Mechanic, watercraft. Positive qualities: **Mechanically** inclined, athletic and fit, overall perceptive, strong survival skill. Negative qualities: **Gang** affiliation (37th Street Hombres).

### Page 78, Fresh Meat (cont'd), paragraph 23, sentence 10

Missing hyphens. Replace:

And finally an all-about man, a twenty-three year old guy with a completely eclectic variety of skills and charm in spades.

With:

And finally an all-about man, a **twenty-three-year-old** guy with a completely eclectic variety of skills and charm in spades.

### Page 78, Fresh Meat (cont'd), paragraph 36, sentence 3

Missing space, ellipsis. Replace:

I can do magic... um, healing, and shielding, and turning people invisible.

With:

I can do **magic ...** um, healing, and shielding, and turning people invisible.

*[Make sure it's the actual ellipsis character]*

### Page 79, Fresh Meat (cont'd), paragraph 54

Missing word. Replace:

I stopped him with a raised hand again. "Do you anyone who's *not* female?"

With:

I stopped him with a raised hand again. "Do you **know** anyone who's *not* female?"

**Page 79, Fresh Meat (cont'd), paragraph 56, sentence 3**

Missing word. Replace:

But since we don't know squat about each other, or about what we can do... let's do some team-building bullshit.

With:

But since we don't know squat about each other, or about what we can **do ...** let's do some team-building bullshit.

**Page 79, Fresh Meat (cont'd), paragraph 67, sentence 4**

Missing word. Replace:

We'll have discrete cameras imbedded in the safe-house.

With:

We'll have discrete cameras **embedded** in the safe-house.

**Page 108, Smuggler sample character, Vehicles and Drones, first entry**

Replace:

Eurocar Westwind 3K [Pilot 4, Firewall 4, Signal 4, Response 4

With:

Eurocar Westwind 3K [Pilot 4, Firewall 4, Signal 4, Response 4, **Rigger Adaptation**]

## COMBAT

**Page 146, THE ACTION PHASE, second paragraph, last sentence**

Delete this sentence:

A complete list of actions can be found at the back of the book.

## THE WIRELESS WORLD

**Page 240, Threading, paragraph 1, sentence 2-3**

Add a new sentence. Replace:

This process is known as *threading*. To thread a complex form, the technomancer makes a Software + Resonance Test.

With:

This process is known as *threading*. **Threading is a free action.** To thread a complex form, the technomancer makes a Software + Resonance Test.

## STREET GEAR

**Page 310, Epigraph**

Replace:

Nothing to Fear if You've Got the Gear

With:

Nothing **to fear if you've got the gear**

**Page 311, Concealing Gear, paragraph 2, last sentence**

Redundant/repetitive. Replace:

If a character is intentionally trying to hide something, treat this as an Opposed **Test** against the concealing character's Palming + Agility **Test**.

With:

If a character is intentionally trying to hide something, treat this as an Opposed Test against the concealing character's Palming + **Agility**.

### **Page 313, Cyberware and Bioware, paragraph 1, sentence 1**

Replace:

Cyberware and bioware is available in four grades: standard, alphaware, betaware, and deltaware.

With:

Cyberware and bioware **are** available in four grades: standard, alphaware, betaware, and deltaware.

### **Page 313 (sidebar), Arsenal, bullet list**

Capitalization, missing serial comma. Replace:

- 100+ New weapons, accessories, upgrades, and new ammo types
- 50+ New vehicles in all shapes and sizes plus 27 new drones
- 100+ Items of runner gear ranging from armor to environmental survival gear to spy toys
- 25 Revolutionary manatech devices
- Advanced rules for explosives, chemicals and drugs
- Advanced rules for Martial Arts, additional combat options, and environmental dangers
- Extensive options for Vehicle and Weapon Customization

With:

- 100+ **new** weapons, accessories, upgrades, and new ammo types
- 50+ **new** vehicles in all shapes and sizes plus 27 new drones
- 100+ **items** of runner gear ranging from armor to environmental survival gear to spy toys
- 25 **revolutionary** manatech devices
- Advanced rules for explosives, **chemicals**, and drugs
- Advanced rules for Martial Arts, additional combat options, and environmental dangers
- Extensive options for Vehicle and Weapon Customization

### **Page 314, Common Costs, Travel**

Replace:

Bus/Rail 1-month pass

With:

Bus/**rail** 1-month pass

### **Page 314, Gear Listing, sentence 1**

Replace:

The following **selection of items are** available through fixers, fences, black market shops, online sites, and lore shops.

With:

The following **selection of items is** available through fixers, fences, black market shops, online sites, and lore shops.

**Page 318, Submachine Guns Table**

Replace "HK-227X" with "HK 227-X" to match the text description on the page above.

**Page 319, Sniper Rifles Ranger Arms SM-4**

Parallel structure, missing article. Replace:

This rifle features a silencer, imaging scope, and a rigid stock with shock pad.

With:

This rifle features a silencer, an imaging scope, and a rigid stock with shock pad.

**Page 319, Sniper Rifles, Walther MA-2100, sentence 1**

Replace:

The chosen sniper rifle of the Confederate American States Army, the MA-2100 is designed to military specifications.

With:

The chosen sniper rifle of the Confederation of American States Army, the MA-2100 is designed to military specifications.

Or:

The chosen sniper rifle of the CAS Army, the MA-2100 is designed to military specifications.

**Page 326, Clothing and Armor, Leather Jacket/Duster**

Missing comma. Replace:

Whether a basic jacket or a knee-length duster the leather jacket never goes out of style and offers a modicum of protection.

With:

Whether a basic jacket or a knee-length duster, the leather jacket never goes out of style and offers a modicum of protection.

**Page 327, Commlink, paragraph 1, sentence 1**

Bad hyphen. Replace:

Commlinks are the universal Matrix access device, used by everyone to be online all-the time, control all of their electronics, access their ID and accounts, and enhance their experiences with augmented and virtual reality.

With:

Commlinks are the universal Matrix access device, used by everyone to be online all the time, control all of their electronics, access their ID and accounts, and enhance their experiences with augmented and virtual reality.

**Page 327, Commlink, paragraph 1, sentence 2**

Missing period. Replace:

For an exploration of the commlink's uses, see *Commlinks* (p. 221) and *Networking* (p. 223) A range of stock commlinks and operating systems are provided.

With:

For an exploration of the commlink's uses, see *Commlinks* (p. 221) and *Networking* (p. 223). A range of stock commlinks and operating systems are provided.

**Page 328, Commlink, paragraph 2, end**

Missing suspended hyphen. Replace:  
and a shock and water-resistant case.

With:  
and a **shock-** and water-resistant case.

**p.328, Sim Module, paragraph 1, last sentence**

Missing period. Replace:

A sim module must be accessed via trodes or a direct neural interface (datajack, implanted commlink, etc).

With:

A sim module must be accessed via trodes or a direct neural interface (datajack, implanted commlink, **etc.**).

**Page 328, Accessories, Biometric Reader, sentence 1**

Replace:

For access-control to online accounts or certain devices, the proper biometric scan must be provided

With:

For **controlled access** to online accounts or certain devices, the proper biometric scan must be provided

**Page 328, Accessories, Nanopaste Trodes, sentence 1**

Bad hyphen, missing comma. Replace:

This highly-sensitive high-tech nanite paste can be used to "paint" an electrode net around the head.

With:

This **highly sensitive,** high-tech nanite paste can be used to "paint" an electrode net around the head.

**Page 328, Accessories, Trodes, sentence 1**

Replace:

This net/headband of electrodes and ultrasound emitters enables the wearer to experience simsense and are used with a sim module.

With:

This net/headband of electrodes and ultrasound emitters enables the wearer to experience simsense and **is** used with a sim module.

**Page 329, Misc. Electronics, subhead**

Replace:

MISC. ELECTRONICS

With:

**MISCELLANEOUS** ELECTRONICS

**Page 330, Communications and Countermeasures (cont'd), White Noise Generator, sentence 1**

Typo. Replace:

This devices creates a field of random noise, masking the sounds within its area.

With:

This **device** creates a field of random noise, masking the sounds within its area.

**Page 330, Datachips and Software, paragraph 1, sentence 1**

Replace:

Storing data is rarely a concern in 2072, as omnipresent wireless systems allow a tremendously fast and always-available transfer of information, games, music, trideo, **and** simsense, and other data between devices, whenever and wherever a user wants them.

With:

Storing data is rarely a concern in 2072, as omnipresent wireless systems allow a tremendously fast and always-available transfer of information, games, music, trideo, simsense, and other data between devices, whenever and wherever a user wants them.

**Page 330, Datachips and Software, Datachip**

Replace:

For those occasions when you want to transfer data by physical means—like bringing those stolen weapon specs to Mr. Johnson, when you wouldn't trust a Matrix transfer—optical memory chips (OMCs) can hold **hundreds of gigapulses** of data in a small finger-sized chip, accessible by any electronic device.

With:

For those occasions when you want to transfer data by physical means—like bringing those stolen weapon specs to Mr. Johnson, when you wouldn't trust a Matrix transfer—optical memory chips (OMCs) can hold **enormous quantities** of data in a small finger-sized chip, accessible by any electronic device.

**Page 330, Datachips and Software, Matrix Programs, sentence 1**

Missing serial comma, repetition. Replace:

Typical Matrix Programs include common **use user** utilities, hacking suites, agents and IC.

With:

Typical Matrix Programs include **common utilities**, hacking suites, **agents**, and IC.

**Page 330, Matrix Programs Table**

Delete the extra space in "Autosofts"

**Page 330, Simsense, paragraph 2, sentence 1**

Missing hyphen. Replace:

Sim programs range from special-effects laden action blockbusters and steamy romances to completely programmed anime specials to porn and underground crime and snuff sims.

With:

Sim programs range from **special-effects-laden** action blockbusters and steamy romances to completely programmed anime specials to porn and underground crime and snuff sims.

**Page 330, Simsense, BTL Recordings, paragraph 1, sentence 1**

Missing hyphen. Replace:

Conventional simsense recordings include signal peak controllers to protect the spectator from physical brain damage, as well as to reduce the addiction qualities of jacked up high-amplitude signals and direct stimulation of the pleasure centers of the brain.

With:

Conventional simsense recordings include signal peak controllers to protect the spectator from physical brain damage, as well as to reduce the **addictive** qualities of **jacked-up** high-amplitude signals and direct stimulation of the pleasure centers of the brain.

**Page 331, ARE Software, paragraph 1, last sentence**

Number agreement. Replace:

Like simsense, the danger exists that ARE users are in imminent danger of losing oneself to their fictional, illusionary dreamworld—many users in fact run their AREs 24-7, bringing “escapism” to a new level.

With:

Like simsense, the danger exists that ARE users are in imminent danger of losing **themselves** to their fictional, illusionary **dream worlds**—many users in fact run their AREs **24/7**, bringing “escapism” to a new level.

**Page 331, ID and Credsticks, Certified Credstick, sentence 1**

Typo. Replace:

The modern version of cash or bearer bonds, certified credsticks are not registered to any specific person—the electronic funds encoded on it **belongs** to whomever holds it.

With:

The modern version of cash or bearer bonds, certified credsticks are not registered to any specific person—the electronic funds encoded on it **belong** to whomever holds it.

**Page 331, ID and Credsticks, Certified Credstick, sentence 4**

Bad reference. Replace:

The maximum amount of funds that can be carried on a credstick is determined by its type (see the Certified Credstick Table, **below**).

With:

The maximum amount of funds that can be carried on a credstick is determined by its type (see the Certified Credstick Table **on p. 267**).

**Page 332, ID and Credsticks (cont'd), Fake License, sentence 3**

Unnecessary hyphen (adverb). Replace:

Though a digitally-signed electronic license can be carried on a commlink, licenses are also stored in (and verified through) various databases online.

With:

Though a **digitally signed** electronic license can be carried on a commlink, licenses are also stored in (and verified through) various databases online.

**Page 332, ID and Credsticks (cont'd), Fake SIN, paragraph 1, sentence 1**

Number agreement. Replace:

The SIN and its equivalentents are what **makes** a mere metahuman being into a real person of the digital age.

With:

The SIN **(or its equivalent) is** what makes a mere metahuman being into a real person of the digital age.

**Page 332, ID and Credsticks (cont'd), Fake SIN, paragraph 2, sentence 3**

Missing hyphen. Replace:

If it's low quality, you'd better not use it in high security settings.

With:

If it's low quality, you'd better not use it in **high-security** settings.

### **Page 332, Visual Sensors & Imaging Devices, paragraph 1, sentence 3**

Replace:

The ratings of vision sensors and imaging devices equals the number of vision enhancements that can be applied to the device.

With:

The **rating of a vision sensor or imaging device** equals the number of vision enhancements that can be applied to the device.

### **Page 332, Visual Sensors & Imaging Devices**

Capitalize the run-in subheads for "**Contact Lenses:**" and "**Imaging Scopes:**"

### **Page 332, Visual Sensors & Imaging Devices, Glasses**

Comma splice. Replace:

Usually lightweight frames worn on the bridge of the nose, numerous styles are available.

With:

Usually lightweight frames worn on the bridge of the **nose**; numerous styles are available.

### **Page 332, Visual Sensors & Imaging Devices, Imaging Scopes**

Missing parenthesis, bad capital. Replace:

These vision enhancers and display devices are usually mounted on weapons (See *Mounts*, p. 311 though they are detachable.

With:

These vision enhancers and display devices are usually mounted on weapons (**see** *Mounts*, p. 311), though they are detachable.

### **Page 333, Audio Sensors & Enhancers, Microphone, sentence 1**

Replace:

A standard omnidirectional audio pick-up and recording.

With:

A standard omnidirectional audio **pickup** and **recorder**.

### **Page 333, Audio Enhancements, Spatial Recognizer, sentence 2**

Replace:

The user receives a **bonus of +2 dice pool modifier** on all Perception Tests to find the source of a specific sound.

With:

The user receives a **+2 dice pool bonus** on all Perception Tests to find the source of a specific sound.

### **Page 333, Sensors, paragraph 1, sentence 2**

Unnecessary hyphen (adverb). Replace:

Cheaply-produced by the billions, miniaturization and integration with other systems have made them often difficult to spot.

With:

**Cheaply produced** by the billions, miniaturization and integration with other systems have made them often difficult to spot.

**Page 334, Sensors (cont'd), paragraph 5, sentence 6**

Misplaced period. Replace:

In either case, consider the applicable sensor to have the same rating as the vehicle's Sensor rating, though if the character has previously modified the sensor package, the individual sensor may use its own rating (if higher.)

With:

In either case, consider the applicable sensor to have the same rating as the vehicle's Sensor rating, though if the character has previously modified the sensor package, the individual sensor may use its own rating (if higher).

**Page 334, Sensors (cont'd), paragraph 5, sentence 7**

Missing comma. Replace:

If the character desires to use more than one sensor but not the full package (i.e., a microphone and camera) use only the highest rating.

With:

If the character desires to use more than one sensor but not the full package (i.e., a microphone and camera), use only the highest rating.

**Page 334, Sensors (cont'd), Directional Microphone, sentence 2**

Accuracy. Replace:

Solid objects as well as loud sounds **outside** the line of eavesdropping block the reception.

With:

Solid objects as well as loud sounds **along** the line of eavesdropping block the reception.

**Page 335, Security Devices Table**

Replace:

Keypad or Card-reader

With:

Keypad or Card-**Reader**

**Page 336, Survival Gear, Gecko Tape Gloves, sentence 1**

Replace:

These gloves are made of a special dry adhesive that incorporates millions of fine microscopic hairs that bonds to other surfaces.

With:

These gloves are made of a special dry adhesive that incorporates millions of fine microscopic hairs that **bond** to other surfaces.

**Page 336, Survival Gear, Gecko Tape Gloves, sentence 3**

Missing serial comma. Replace:

Gecko tape gloves come as a set that includes gloves, kneepads and slip-on soles.

With:

Gecko tape gloves come as a set that includes gloves, **kneepads**, and slip-on soles.

### **Page 338 (sidebar), Augmentation, sentence 2**

Missing hyphen. Replace:

It presents setting information and rules for advanced cybertech and biotech, as well as the cutting edge techniques of gene therapies and nanoware.

With:

It presents setting information and rules for advanced cybertech and biotech, as well as the **cutting-edge** techniques of gene therapies and nanoware.

### **Page 338 (sidebar), Augmentation, bullet list, items 1–2**

Capitalization. Replace:

- 60+ New cyberware implants, cyberlimb upgrades, and cybersuites
- 50+ Original bioware implants including advanced symbionts

With:

- 60+ **new** cyberware implants, cyberlimb upgrades, and cybersuites
- 50+ **original** bioware implants including advanced symbionts

### **Page 338, Disguises, Nanopaste Disguise, sentence 1**

Missing hyphen. Replace:

The use of cheap cosmetics and latex based disguises are a thing of the past with the development of a versatile biostatic nanite paste.

With:

The use of cheap cosmetics and **latex-based** disguises are a thing of the past with the development of a versatile biostatic nanite paste.

### **Page 338, Disguise Table**

Capitalization. Replace "Large container" with "Large **Container**"

### **Page 339, Eyeware, paragraph 1, sentence 3**

Missing comma. Replace:

Cybereyes can be purchased in any shape or color the user desires from perfectly natural seeming to the most outrageous of ocular designs.

With:

Cybereyes can be purchased in any shape or color the user **desires**, from perfectly natural seeming to the most outrageous of ocular designs.

### **Page 343, Cyberlimbs, paragraph 2**

Replace:

Cyberskulls and -torsos are included in this category, though they are in fact shells rather than full replacements.

With:

Cyberskulls and **-torsos** are included in this category, though they are in fact shells rather than full replacements.

*[Replace the small dash with a suspended hyphen.]*

**Page 343, Cyberlimbs, paragraph 3, sentence 3**

Replace:

The attributes of partial limbs (including cyberhands and -feet) may be enhanced, but their attributes only apply for tests directly involving those limbs (such as a Strength Test when gripping something with an enhanced cyberhand).

With:

The attributes of partial limbs (including cyberhands and -feet) may be enhanced, but their attributes only apply for tests directly involving those limbs (such as a Strength Test when gripping something with an enhanced cyberhand).

**Page 343, Cyberlimbs, Customized Cyberlimbs, paragraph 1, last sentence**

Missing periods, comma. Replace:

In all other stats customized cy-berlimbs are identical to standard cyberlimbs (ie. Capacity limits, etc).

With:

In all other stats (Capacity limits, etc.), customized cyberlimbs are identical to standard cyberlimbs.

**Page 345, Bioware, paragraph 1, sentence 4**

Missing hyphens. Replace:

Bionics and bioengineering techniques have improved greatly over the last decade, making bioware the new state of the art technology.

With:

Bionics and bioengineering techniques have improved greatly over the last decade, making bioware the new state-of-the-art technology.

**Page 345, Cyber Melee Weapons Table**

Capitalization. Replace "Hand blade (Retractable)" with "Hand Blade (Retractable)"

**Page 346, Bioware (cont'd), Orthoskin**

Commas. Replace:

Weaves an energy-diffusing material just beneath the skin providing the equivalent of personal armor, while being virtually indistinguishable from unaugmented skin.

With:

Weaves an energy-diffusing material just beneath the skin, providing the equivalent of personal armor while being virtually indistinguishable from unaugmented skin.

**Page 348 (sidebar), Typical Passenger Capacity, sentence 2**

Replace:

As a rule of thumb, trolls adaptation replaces two seats with a single oversized one.

With:

As a rule of thumb, troll adaptation replaces two seats with a single oversized one.

**Page 348 (sidebar), Typical Passenger Capacity**

Check for a leading space in front of "Sportscar"

**Page 348, Groundcraft, Yamaha Growler, sentence 1**

Missing word. Replace:

This durable off-road cycle was popularized by the "CalFree Rangers" tridshow, is popular with thrill-seekers and wilderness buffs.

With:

This durable off-road cycle was popularized by the "CalFree Rangers" tridshow **and** is popular with thrill-seekers and wilderness buffs.

**Page 348, Groundcraft, Mercury Comet, sentence 2**

Replace:

Its traditional lines, four doors, an capacious luggage storage has made it the bestselling family car in North America, replacing the Ford Americar.

With:

Its traditional lines, four doors, **and** capacious luggage storage has made it the bestselling family car in North America, replacing the Ford Americar.

**Page 348, Groundcraft, Eurocar Westwind 3000, sentence 2**

Missing comma, hyphen. Replace:

Its aerodynamic, hatchdoor design is popular among powercar lovers making it a challenger to the ever popular Saab Dynamit 788 TI.

With:

Its aerodynamic, hatchdoor design is popular among powercar **lovers**, making it a challenger to the **ever-popular** Saab Dynamit 788 TI.

**Page 349, Groundcraft (cont'd), GMC Bulldog Step-Van**
